Do that by creating a sales web page for the brand new guide, however do not embrace a worth on that page. Instead, add quite a lot of links to survey questions that ask pointed questions to help you in assigning a price to your ebook.

One other strategy is to check out costs by creating a variety of duplicate sales pages with different prices on every page. Be sure your gross sales copy is precisely the similar on every web page, and includes your promoting-deal with sentence. Then figure out for each web page the conversion ratio between visitors to your website and sales of your book. It will tell you what your optimum value is.

In the end, in the event you've written a e-book that solves a drawback or presents a new approach, your guide will usher in both traffic and profits.
