An effective approach for figuring out a value is to ship out a survey to your current customers. If these prospects have already bought a book from you, ask for his or her opinion by way of price. Do that by creating a sales page for the brand new guide, however do not include a worth on that page. As an alternative, add various links to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

One other strategy is to test out costs by making a variety of duplicate sales pages with totally different costs on every page. Be sure that your gross sales copy is exactly the identical on each web page, and consists of your promoting-handle sentence. Then work out for each web page the conversion ratio between guests to your web site and gross sales of your book. It will let you know what your optimum worth is.
