Do this by making a sales page for the brand new book, however don't include a value on that page. As a substitute, add a lot of links to survey questions that ask pointed questions to assist you in assigning a price to your ebook.

One other technique is to check out prices by making a number of duplicate gross sales pages with completely different prices on every page. Make certain your sales copy is strictly the similar on

every page, and includes your promoting-deal with sentence. Then figure out for every page the conversion ratio between visitors to your site and gross sales of your book. This will inform you what your optimum price is.

Finally, for those who've written a book that solves a problem or presents a brand new method, your e-book will usher in both traffic and profits. So you'll want to write that promoting-handle sentence that sums up what drawback your ebook solves and what the benefits of your 1027 guide shall be to the customers who buy it.
