on that page. As an alternative, add a lot of hyperlinks to survey questions that ask pointed questions to assist you in assigning a value to your ebook.

Another technique is to test out costs by making a number of duplicate sales pages with different costs on every page. Ensure your gross sales copy is strictly the same on every web page, and contains your selling-deal with sentence. Then work out for each page the conversion ratio between visitors to your site and gross sales of your book. This can inform you what your optimum price is.

Ultimately, when you've written a e-book that solves a drawback or presents a new approach, your ebook will bring in both traffic and profits.
