Do this by making a sales web page for the new e-book, however do not include a price on that page. Instead, add a lot of hyperlinks to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

Another strategy is to test out costs by making a number of duplicate gross sales pages with different prices on each page. Be certain your gross sales copy is exactly the same on every page,

and contains your promoting-deal with sentence. Then work out for every web page the conversion ratio between guests to your web site and gross sales of your book. This can tell you what your optimum worth is.

In the end, should you've written a guide that solves a drawback or presents a new approach, your e book will usher in each traffic and profits.
