Advertising Strategies

One is to present one thing away at no cost with your book, comparable to a worthwhile bonus item. Or bundle several ebooks below one value, which lowers the value for each e book if they have been sold separately.

An efficient technique for determining a price is to send out a survey to your present customers. If these customers have already bought an e book from you, ask for his or her opinion when it comes to price. Instead, add quite a lot of hyperlinks to survey questions that ask pointed questions to help you in assigning a worth to your ebook.

Another technique is to check out prices by making a number of duplicate gross sales pages with completely different costs on every page. Be sure that your sales copy is precisely the similar on

each page, and contains your selling-handle sentence. Then work out for every web page the conversion ratio between visitors to your site and gross sales of your book. This can inform you what your optimum worth is.

Ultimately, when you've written a ebook that solves a problem or presents a brand new approach, your book will bring in each visitors and profits.
