that by making a gross sales web page for the new guide, however don't embrace a worth on that page. As a substitute, add various links to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

One other strategy is to check out costs by creating a variety of duplicate gross sales pages with completely different costs on every page. Make sure that your gross sales copy is exactly the similar on every web page, and consists of your selling-deal with sentence. Then determine for every page the conversion ratio between guests to your site and sales of your book. This will tell you what your optimum value is.

Finally, for those who've written a e-book that solves a drawback or presents a new method, your e book will usher in both visitors and profits.
