Do that by making a sales web page for the brand new book, but don't embrace a value on that page. As an alternative, add quite a lot of links to survey questions that ask pointed questions to assist you in assigning a worth to your ebook.

One other strategy is to test out prices by creating a number of duplicate gross sales pages with completely different costs on each page. Ensure your sales copy is strictly the same on each web

page, and contains your selling-deal with sentence. Then work out for every page the conversion ratio between guests to your web site and gross sales of your book. This can tell you what your optimum price is.
