Instead, add various hyperlinks to survey questions that ask pointed questions to help you in assigning a value to your ebook.

One other technique is to check out prices by making a number of duplicate gross sales pages with totally different prices on each page. Be certain that your sales copy is strictly the same on every

page, and includes your selling-handle sentence. Then figure out for every page the conversion ratio between visitors to your web site and sales of your book. This may tell you what your optimum price is.
