Do that by making a sales page for the new e book, however do not embody a worth on that page. As an alternative, add a variety of links to survey questions that ask pointed questions to assist you in assigning a value to your ebook.

One other strategy is to check out prices by creating a number of duplicate gross sales pages with totally different costs on every page. Make sure that your gross sales copy is strictly the same on every page, and includes your promoting-handle sentence. Then work out for every page the conversion ratio between guests to your web site and gross sales of your book. It will tell you what your optimum price is.

In the end, in the event you've written a e-book that solves a drawback or presents a brand new technique, your e-book will bring in both site visitors and profits.
