An efficient method for determining a price is to ship out a survey to your present customers. If these customers have already bought an e-book from you, ask for their opinion when it comes to price. Do that by making a sales page for the brand new e-book, but don't embrace a value on that page. As an alternative, add quite a few hyperlinks to survey questions that ask pointed questions to aid you in assigning a price to your ebook.

One other technique is to test out prices by making a variety of duplicate sales pages with totally different prices on each page. Be sure your gross sales copy is precisely the same on every page,

and contains your promoting-deal with sentence. Then work out for every web page the conversion ratio between visitors to your site and sales of your book. It will inform you what your optimum value is.

Ultimately, for those who've written a ebook that solves a downside or presents a new approach, your ebook will bring in both visitors and profits. So make sure to write that promoting-handle sentence that sums up what problem your ebook solves and what the advantages of your 1609 e book will probably be to the purchasers who purchase it.
