An effective approach for figuring out a value is to ship out a survey to your present customers. If these customers have already purchased an e-book from you, ask for his or her opinion by way of price. Do this by creating a gross sales web page for the brand new guide, but do not embrace a value on that page. As a substitute, add a lot of links to survey questions that ask pointed questions to assist you in assigning a worth to your ebook.

One other technique is to check out prices by making a variety of duplicate gross sales pages with different costs on each page. Make sure your sales copy is precisely the similar on every web page, and contains your selling-deal with sentence. Then determine for every page the conversion ratio between guests to your website and gross sales of your book. It will let you know what your optimum worth is.

In the end, in case you've written a guide that solves a drawback or presents a brand new method, your e book will herald each traffic and profits.
