If these customers have already bought an book from you, ask for his or her opinion when it comes to price. Do this by creating a gross sales web page for the brand new guide, however don't embody a price on that page. Instead, add various links to survey questions that ask pointed questions to aid you in assigning a price to your ebook.

Another technique is to test out costs by creating a variety of duplicate gross sales pages with totally different prices on each page. Ensure that your sales copy is exactly the same on each web

page, and contains your promoting-deal with sentence. Then figure out for every page the conversion ratio between visitors to your website and sales of your book. It will let you know what your optimum value is.
