An effective technique for determining a worth is to send out a survey to your current customers. If these prospects have already purchased an e book from you, ask for their opinion by way of price. Do that by creating a gross sales page for the new guide, however do not embody a price on that page. As an alternative, add plenty of hyperlinks to survey questions that ask pointed questions to assist you in assigning a value to your ebook.

One other technique is to test out costs by making a number of duplicate gross sales pages with different costs on each page. Be certain that your gross sales copy is strictly the similar on each web page, and consists of your promoting-handle sentence. Then figure out for every page the conversion ratio between visitors to your website and sales of your book. This will let you know what your optimum value is.

Ultimately, should you've written a book that solves a drawback or presents a new method, your e-book will bring in both traffic and profits. So be sure to write that selling-handle sentence that sums up what downside your e-book solves and what the benefits of your 1882 e book will likely be to the purchasers who purchase it.
