Marketing Strategies

The important thing that unlocks the gross sales potential of your book is to discover a single sentence that turns into your promoting handle. An efficient method for determining a value is to send out a survey to your present customers. If these clients have already purchased an ebook from you, ask for their opinion when it comes to price. Do this by making a gross sales page for the brand new e book, but don't embrace a worth on that page. Instead, add various links to survey questions that ask pointed questions to assist you in assigning a worth to your ebook.

One other technique is to check out prices by making a number of duplicate sales pages with totally different prices on every page. Make sure that your sales copy is strictly the similar on each web

page, and consists of your selling-handle sentence. Then determine for every page the conversion ratio between visitors to your website and gross sales of your book. This may tell you what your optimum value is.
