An efficient approach for figuring out a worth is to send out a survey to your present customers. If these clients have already bought an ebook from you, ask for their opinion by way of price. Do this by creating a gross sales page for the brand new e book, however don't embody a worth on that page. Instead, add a number of hyperlinks to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

Another strategy is to test out prices by creating a variety of duplicate sales pages with completely different prices on each page. Ensure that your sales copy is precisely the same on every web page, and consists of your promoting-handle sentence. Then work out for every web page the conversion ratio between visitors to your web site and gross sales of your book. It will let you know what your optimum price is.

Ultimately, if you happen to've written a e-book that solves a problem or presents a new technique, your guide will herald both site visitors and profits.
