Instead, add plenty of hyperlinks to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

Another technique is to test out prices by making a number of duplicate gross sales pages with completely different costs on every page. Make certain your gross sales copy is precisely the same

on each web page, and includes your promoting-deal with sentence. Then determine for every web page the conversion ratio between guests to your site and sales of your book. This can tell you what your optimum price is.
