Do this by creating a gross sales web page for the brand new e-book, but don't embrace a price on that page. As an alternative, add a variety of hyperlinks to survey questions that ask pointed questions to help you in assigning a value to your ebook.

Another technique is to test out costs by making a variety of duplicate gross sales pages with completely different prices on each page. Be sure your sales copy is precisely the identical on

every page, and includes your selling-handle sentence. Then determine for each web page the conversion ratio between visitors to your website and sales of your book. This can let you know what your optimum value is.

In the end, in the event you've written a e book that solves a downside or presents a brand new method, your e-book will herald each traffic and profits.
