price. Do that by creating a gross sales page for the brand new e-book, but don't embody a price on that page. As a substitute, add numerous hyperlinks to survey questions that ask pointed questions to assist you in assigning a price to your ebook.

One other technique is to test out prices by making a number of duplicate gross sales pages with different costs on each page. Be certain that your sales copy is exactly the similar on every web page, and includes your selling-handle sentence. Then determine for each page the conversion ratio between visitors to your web site and gross sales of your book. It will tell you what your optimum price is.

In the end, for those who've written a book that solves a problem or presents a brand new method, your book will usher in both site visitors and profits.
