After you determine your goal, you will need to determine what your audience's want is for your ebook. For example, does your book resolve a particular problem? If it does, and solves it in a manner that hasn't been written about in one hundred different ebooks, you will be in a position to

achieve high gross sales at a excessive price. If you wish to see massive earnings over buyer draw, intention for an audience that is looking for straightforward options to their issues at a low price. In case your guide is aimed toward fixing one particular problem rather than normal advice, then you'll be able to cost more. Begin at the highest price the market will bear to herald the largest earnings, and plan to discount the e book a number of occasions throughout the year.
