Do that by creating a gross sales web page for the brand new book, however don't embody a value on that page. As an alternative, add a lot of links to survey questions that ask pointed questions to assist you in assigning a price to your ebook.

Make sure that your gross sales copy is strictly the same on every web page, and includes your selling-handle sentence. Then determine for every page the conversion ratio between guests to your web site and sales of your book. This can tell you what your optimum worth is.

In the end, when you've written a guide that solves a drawback or presents a brand new method, your book will usher in each visitors and profits.
