Do that by making a gross sales web page for the brand new book, but do not embrace a worth on that page. As a substitute, add plenty of links to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

Another technique is to test out costs by making a variety of duplicate sales pages with different costs on every page. Ensure your gross sales copy is precisely the same on each page, and consists

of your promoting-handle sentence. Then determine for each page the conversion ratio between visitors to your site and sales of your book. This can tell you what your optimum value is.

Ultimately, if you happen to've written a guide that solves a drawback or presents a new method, your ebook will usher in each traffic and profits.
