If these prospects have already purchased an book from you, ask for his or her opinion by way of price. Do that by making a gross sales page for the brand new e-book, but do not include a worth on that page. As an alternative, add a lot of links to survey questions that ask pointed questions to help you in assigning a worth to your ebook.

One other technique is to test out prices by making a variety of duplicate gross sales pages with different prices on each page. Be certain that your sales copy is precisely the identical on every web page, and includes your selling-deal with sentence. Then determine for each page the conversion ratio between visitors to your site and sales of your book. This can tell you what your optimum value is.

Finally, if you've written a e book that solves a problem or presents a new technique, your e-book will bring in both visitors and profits.
