price. Do that by making a sales page for the brand new book, but do not embrace a worth on that page. As a substitute, add plenty of hyperlinks to survey questions that ask pointed questions to help you in assigning a worth to your ebook.

One other technique is to test out costs by creating a variety of duplicate sales pages with completely different prices on every page. Be sure your sales copy is strictly the identical on each web page, and contains your selling-deal with sentence. Then figure out for every web page the conversion ratio between guests to your web site and gross sales of your book. It will let you know what your optimum worth is.

Ultimately, in case you've written a e-book that solves a downside or presents a brand new method, your e-book will bring in each traffic and profits.
