An effective method for figuring out a value is to ship out a survey to your present customers. If these clients have already purchased an book from you, ask for his or her opinion in terms of price.

Do this by creating a gross sales page for the new ebook, however don't embody a worth on that page. Instead, add numerous links to survey questions that ask pointed questions to help you in assigning a worth to your ebook.

One other technique is to test out prices by creating a variety of duplicate gross sales pages with different prices on every page. Make sure that your gross sales copy is exactly the same on each page, and includes your selling-deal with sentence. Then figure out for each page the conversion ratio between guests to your site and gross sales of your book. It will let you know what your optimum price is.

Finally, if you happen to've written a e book that solves a downside or presents a brand new method, your guide will bring in both traffic and profits.
