each web page, and contains your promoting-deal with sentence. Then figure out for every web page the conversion ratio between guests to your site and gross sales of your book. It will tell you what your optimum worth is.

Finally, if you've written a e-book that solves a problem or presents a new technique, your guide will usher in each visitors and profits. So remember to write that promoting-handle sentence that sums up what downside your ebook solves and what the benefits of your 315 book will likely be to the customers who purchase it.
