If these customers have already bought an e-book from you, ask for their opinion when it comes to price. Do this by creating a sales web page for the new book, however don't embrace a value on that page. As an alternative, add a variety of links to survey questions that ask pointed questions to assist you in assigning a value to your ebook.

Another technique is to check out costs by making a number of duplicate gross sales pages with totally different costs on each page. Make certain your sales copy is precisely the similar on each page, and contains your promoting-deal with sentence. Then determine for every page the conversion ratio between guests to your web site and gross sales of your book. This can inform you what your optimum value is.

In the end, if you've written a guide that solves a downside or presents a brand new method, your e book will usher in both visitors and profits. So be sure you write that promoting-deal with sentence that sums up what drawback your ebook solves and what the advantages of your 37 ebook will probably be to the shoppers who purchase it. And then watch your market come to you!
