Do this by creating a gross sales web page for the new ebook, but don't embrace a value on that page. As a substitute, add numerous hyperlinks to survey questions that ask pointed questions to aid you in assigning a price to your ebook.

Another technique is to test out costs by creating a number of duplicate gross sales pages with completely different prices on each page. Be certain that your gross sales copy is strictly the same

on every web page, and includes your promoting-deal with sentence. Then work out for each page the conversion ratio between visitors to your web site and sales of your book. This will inform you what your optimum worth is.

Finally, when you've written a e-book that solves a problem or presents a brand new technique, your e-book will herald each visitors and profits. So you should definitely write that promoting-deal with sentence that sums up what problem your book solves and what the benefits of your 383 e-book will be to the customers who purchase it.
