promotional materials, and each time anyone asks you about your ebook.

An effective technique for determining a price is to ship out a survey to your present customers. If these customers have already purchased an e-book from you, ask for their opinion when it comes to price. Do this by making a gross sales page for the new ebook, however do not include a worth on that page. As an alternative, add various hyperlinks to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

One other technique is to test out costs by creating a number of duplicate sales pages with different costs on each page. Ensure that your gross sales copy is strictly the same on every page, and includes your selling-deal with sentence. Then work out for each page the conversion ratio between guests to your web site and gross sales of your book. It will let you know what your optimum value is.

In the end, in the event you've written a book that solves a downside or presents a new approach, your guide will herald both site visitors and profits. So make sure you write that selling-deal with sentence that sums up what problem your guide solves and what the advantages of your 455 book can be to the customers who purchase it.
