If these clients have already bought an e-book from you, ask for his or her opinion when it comes to price. Do that by making a sales page for the new book, however don't embody a value on that page. As an alternative, add a lot of links to survey questions that ask pointed questions to assist you in assigning a value to your ebook.

Another technique is to check out costs by making a variety of duplicate sales pages with totally different costs on every page. Be certain that your sales copy is precisely the identical on every

page, and contains your promoting-deal with sentence. Then work out for each page the conversion ratio between visitors to your website and sales of your book. This can tell you what your optimum price is.

In the end, if you've written a e-book that solves a drawback or presents a brand new technique, your ebook will usher in each visitors and profits.
