## Marketing Strategies

The important thing that unlocks the sales potential of your book is to discover a single sentence that turns into your selling handle. This sentence states what query or problem your guide answers and the benefits your ebook can provide. Then you'll want to use that sentence in each piece of

sales and promotional materials, and every time anyone asks you about your ebook.

One is to offer something away without spending a dime together with your e book, similar to a precious bonus item. Or bundle a number of ebooks beneath one worth, which lowers the value for every ebook if they have been bought separately.

An efficient technique for determining a price is to send out a survey to your current customers. If these prospects have already bought an e-book from you, ask for his or her opinion when it comes to price. Do that by making a gross sales web page for the new book, however don't embrace a worth on that page. Instead, add a lot of hyperlinks to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

Another strategy is to test out prices by making a variety of duplicate gross sales pages with different costs on every page. Be certain your sales copy is precisely the same on each web page, and includes your promoting-handle sentence. Then determine for each web page the conversion ratio between guests to your website and sales of your book. It will inform you what your optimum worth is.

In the end, if you happen to've written a ebook that solves a downside or presents a new technique, your e book will bring in both site visitors and profits. So you'll want to write that selling-deal with sentence that sums up what problem your guide solves and what the benefits of your 580 e-book will probably be to the shoppers who buy it.
