An efficient approach for determining a worth is to ship out a survey to your current customers. If these clients have already purchased an e-book from you, ask for his or her opinion by way of price. Do this by creating a gross sales page for the new ebook, however do not embrace a worth on that page. As a substitute, add a variety of hyperlinks to survey questions that ask pointed questions to help you in assigning a worth to your ebook.

Another technique is to check out prices by making a number of duplicate sales pages with different costs on each page. Make certain your sales copy is precisely the similar on every page, and

includes your promoting-handle sentence. Then work out for each page the conversion ratio between visitors to your website and sales of your book. This may inform you what your optimum price is.

Ultimately, if you've written a e-book that solves a problem or presents a new approach, your book will herald each visitors and profits. So make sure you write that selling-handle sentence that sums up what downside your book solves and what the benefits of your 597 guide will likely be to the customers who buy it.
