Do that by making a sales web page for the brand new book, however don't include a price on that page. Instead, add various links to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

One other strategy is to check out prices by creating a number of duplicate sales pages with different costs on each page. Be sure your sales copy is strictly the identical on each web page,

and includes your promoting-deal with sentence. Then work out for every page the conversion ratio between visitors to your site and sales of your book. This will inform you what your optimum value is.

Finally, if you've written a e-book that solves a drawback or presents a new method, your e book will bring in each traffic and profits.
