An effective technique for figuring out a price is to send out a survey to your present customers. If these customers have already bought an book from you, ask for his or her opinion by way of price. Do this by making a gross sales page for the new ebook, but do not embrace a value on that page. As a substitute, add plenty of links to survey questions that ask pointed questions to help you in assigning a value to your ebook.

Be certain your gross sales copy is precisely the identical on each web page, and includes your promoting-deal with sentence. Then work out for each page the conversion ratio between visitors to your website and gross sales of your book. This can tell you what your optimum price is.
