As a substitute, add plenty of links to survey questions that ask pointed questions to help you in assigning a worth to your ebook.

Another technique is to check out costs by making a number of duplicate sales pages with totally different prices on every page. Make sure that your gross sales copy is precisely the similar on every web page, and consists of your selling-handle sentence. Then work out for each web page the conversion ratio between guests to your web site and gross sales of your book. It will let you know what your optimum price is.

Finally, should you've written a e book that solves a problem or presents a new method, your e book will usher in both site visitors and profits.
