Do that by creating a sales web page for the brand new ebook, however do not include a value on that page. As an alternative, add numerous links to survey questions that ask pointed questions to help you in assigning a value to your ebook.

One other technique is to test out prices by creating a variety of duplicate gross sales pages with different costs on every page. Make sure your gross sales copy is precisely the identical on every

web page, and contains your promoting-handle sentence. Then figure out for each web page the conversion ratio between guests to your site and sales of your book. It will inform you what your optimum value is.

Ultimately, if you happen to've written a book that solves a drawback or presents a brand new technique, your guide will herald both traffic and profits.
