An efficient method for figuring out a worth is to send out a survey to your current customers. If these prospects have already purchased an e-book from you, ask for their opinion when it comes to price. Do this by creating a sales page for the brand new ebook, however do not include a price on that page. Instead, add quite a few hyperlinks to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

One other strategy is to test out prices by creating a number of duplicate gross sales pages with totally different prices on each page. Be certain that your gross sales copy is exactly the same on every page, and consists of your promoting-deal with sentence. Then work out for every page the conversion ratio between visitors to your site and sales of your book. It will tell you what your optimum value is.

In the end, if you happen to've written a e book that solves a drawback or presents a brand new technique, your book will usher in both traffic and profits.
