If these customers have already bought an ebook from you, ask for his or her opinion in terms of price. Do that by making a gross sales page for the new e-book, but don't embrace a value on that page. As an alternative, add plenty of links to survey questions that ask pointed questions to assist you in assigning a value to your ebook.

Another strategy is to test out prices by making a variety of duplicate gross sales pages with different costs on every page. Make sure your sales copy is precisely the same on every page, and

consists of your promoting-deal with sentence. Then work out for every web page the conversion ratio between guests to your website and gross sales of your book. This may let you know what your optimum value is.
