An efficient approach for determining a worth is to ship out a survey to your current customers. If these clients have already bought an ebook from you, ask for his or her opinion in terms of price. Do that by making a gross sales web page for the new e book, but do not embrace a value on that page. Instead, add quite a lot of links to survey questions that ask pointed questions to help you in assigning a value to your ebook.

Another strategy is to check out prices by making a variety of duplicate gross sales pages with different prices on every page. Be sure that your sales copy is precisely the similar on each page,

and consists of your promoting-handle sentence. Then figure out for every web page the conversion ratio between guests to your web site and sales of your book. It will tell you what your optimum worth is.

Ultimately, in the event you've written a ebook that solves a drawback or presents a brand new technique, your e book will bring in both site visitors and profits.
